

President's Report

Hello everyone and welcome,

This newsletter is coming to you, courtesy of our new editor in Vic Blair.

Vic kindly volunteered to take on this position and I am sure she will do a good job. We all look forward to reading her first edition.

The AGM has been held for 2016 with a few changes in committee members and editor. This year we combined the AGM with the popular pie and pint run, this move was very successful with a good turnout of members.

After organising with the Ashley Hotel weeks in advance, a phone call to the hotel on Sunday morning to advise how many people are eating to be told the chef walked out a week ago. With the help from the new kitchen staff we ended up having a beef burger and baskets of chips.

This being very successful and everyone enjoyed the event.

We will have some interesting club runs coming up as the weather gets warmer so keep an eye out for the emails beforehand.

Hope to see you all there,

Happy mini motoring

Barry Eggelton

2016 AGM Meeting.....

A great turn out this year, with 30 members in attendance at the meeting and a further 10 member apologies!

Minutes of the previous meeting and reports from the President & Treasurer were read and adopted

ELECTION OF OFFICERS;

President; Barry Eggelton

Secretary; Kit Power

Treasurer; Nathan Arthur

Club Captain; Rod Power

Editor; Vic Blair

Committee Members;

Jarrod Henderson, Pauline Donaldson, John Stevenson, Neville Reeves, Chris Beattie, Adrian Stone.

We would like to welcome new members to the committee and take time to thank Murray for all of his hard work for the club over the years! I know he will always be at the end of the phone and I'm sure will be available to help out when asked!

- Julian Dunn asked if our membership still included affiliation to Canterbury Car Club. The President explained that CCC were no longer prepared to continue with this and that the club was now paying for the President to be a member so that if we need a permit to run an event, we could obtain same through the Presidents membership.
- Murray Young suggested that we put in an application to run the "National Mini Meet".
- The President said that he has been informed that the "Classic Car Show" is on again this year but at this stage he has no further info. It was suggested that we appoint a sub-committee to organise our entry.
- There were complaints that our website was not being kept up to date. Nathan Arthur to get in touch with John.
- Discussion over our Facebook page. Suggested that we make better use of it to promote the club. The new car stickers to replace membership cards were presented by the President. Nathan Arthur thanked Barry for the work he has put in as president over the years.
- Discussion over starting up our club nights again. It was decided to trial them on the 3rd Tuesday of the month at various working men's clubs.
- Kit Power reminded that 2018 will be the 30th anniversary of the club and suggested that we should look at some sort of celebration to mark this milestone. Committee to come up with options
