President's Report

Hello everyone and welcome to the first report for 2017

Since our last newsletter we have had a good number of events with a good turn-out of members This is good for the club and our members.

The club nights we have had over the summer months have been well attended but the committee has decided to put them on hold until day light saving starts again later in the year.

The Mini nationals have been held in Dunedin last Labour Weekend. This event went of very well with a good attendance from Canterbury. Otago Mini Owners Club put together a good weekend and I hope you all enjoyed it as much as I did.

Canterbury has to put it all together for the 2020 Nationals, so we will need to put some plans together in the not too distance future.

The fun day at Ruapuna is planned for Saturday the 20th May so mark this on your calendar and get the mini ready for a fun day.

A big thank you to Michelle Reeves for putting this newsletter together so until next time

Happy Mini Motoring

Barry Eggleton

Events and Highlights from the past month or so!

HANMER MOTORFEST 26 February 2017

What a great day to have a car show!

Early start, had to be in Woodend at 7am to meet up with the rest of the Mini Club. The weather forecast was good, 28 degrees, nice and sunny, just how I like it...

We all arrived on time at Woodend, even Nathan was on time! But he had a few problems with starting his car, it had to be pushed. We had 8 cars turn up, and we headed off for Hanmer. It was a nice drive, all in convoy, and we got there at 9am.

There were around 400-500 cars, some real nice ones including hot rods, muscle cars, classics - all sorts. There were market stalls and a raffle with heaps of prizes, Pauline scooped up a few of them and I got a set of jumper leads. At the end of the day they had the best top ten car results, which I was very surprised to have been one of them, and came away with a nice trophy!

Then with photos taken for the net I headed off home, it was nice to have Darrel and Pauline follow me back to Christchurch. If you have never done this event before I highly recommend it for 2018, a nice day was had by all.
